

Professor T

TUESDAYS AT 9PM, STARTING JULY 13

In this British version of the Belgian crime drama, Professor Jasper Tempest (Ben Miller, *Bridgerton*, *Death in Paradise*) is a brilliant but gruff Cambridge University criminologist with OCD and an overbearing mother (played by Frances de la Tour of *Harry Potter*). He's obsessed with cleanliness, structure, and order – but his unmatched ability to solve crimes means he constantly has to get his hands dirty, helping the police crack their most difficult cases. When Diana Tyson is attacked on the university campus, Professor T's former student and current detective Lisa Donckers (Emma Naomi) turns to him for help – and he reluctantly agrees.
