TRIP ITINERARY
DAY 1 Leave Milwaukee from the Watertown Plank Park and Ride, with additional pick-ups in Grafton and Sheboygan. Enjoy a picnic lunch along the way. We will be completing a variety of crafts on this trip, all of which are included in the price of the trip and will be taken home with you. All the crafts will be useful in your own home or can be used as gifts!

Our first crafting stop is at Hands On in Fish Creek. You will have a choice of one of the following crafts: glazed ceramics, fused glass, jewelry stamping, glassware painting, metal works or mosaics. Some projects will be picked up on the final day of the trip.

After our first crafting class, we continue to Rowleys Bay Resort for a classic Door County fish boil and to check into the hotel for the next two nights.

DAY 2 We start the day with an expansive breakfast buffet, then begin our next project, a chunky blanket. Choose from a variety of colors and finish your blanket before lunch!

After finishing our blankets, we'll enjoy lunch at the resort. The afternoon activities include a painting class and some free time to enjoy the resort before the delicious prime rib dinner buffet is served.

DAY 3 An expansive breakfast buffet is served at the resort. We check out after breakfast.

Next, we board the bus and head back to Hands On. For anyone who chose a project on the first day that needed to be picked up later, like glass slumping or a ceramics project that needed firing, it will be waiting for you. This morning also includes our painted board class. Afterward, we stop for lunch and then head back to Milwaukee.
