The trip continues with a tour at The William Conner Home. The 19th century home tells the story of life on the White River. It is on the National Register of Historic Places. The Inkle Loom is in its own room nearby and the weaver will offer a demonstration and historical perspective. The Animal Encounter offers a perspective on 19th century farming. The Civil War Experience offers demonstrations, history of the Civil War and cannon fire, too! There is a tram available if needed.
