

OCTOBER

Teach Your Way

The world is full of possibilities and so are your students! Inspire their curiosity each day with the activities, printables, and videos below. Create “anytime” moments of playful learning with resources from pbslearningmedia.org, pbskids.org, and the **PBS KIDS Video app**.

WEEKLY THEMES	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Being Kind	26 Teaching with Tunes Collection Find new music to integrate into your classroom.	27 Shared Responsibility Mister Rogers reminds us we are all helpers and important members of our community.	28 Relationship Skills How can you help students develop their communication and cooperation skills?	29 	30 Come and Play Sing and talk about how to include someone who might be feeling left out.	1 Kind Acts Bingo Classroom kindness challenge! How many can your students complete?	2 You Time Deep breaths can help calm the body. Take three and remind yourself, you've got this.
Nature	3 Elinor Wonders Why Collection A PreK science curriculum to help students ask questions, make observations, and explore nature.	4 I Hear with My Own Ear Head outdoors to observe sounds in your community.	5 Mystery Box Explore and describe items from nature using this sensory table activity.	6 Leaf Hunt Make close observations as you collect and compare leaves.	7 Printable Packets Support your home-school connection with this printable packet for PreK-K and grades 1-2 .	8 PBS KIDS Family Night Meet Alma and find classroom resources for our newest series, ALMA'S WAY, on PBS LearningMedia .	9 You Time Think of one small way to feed your creative soul this weekend. Doodling, crafting, cooking, music?
Let's Build	10 Early Engineering with Ready Jet Go! Take a self-paced learning course to support science teaching practice.	11 Sean's Robotic Arm The READY, JET, GO! friends solve a problem through design. Students can too with Robotic Arm Challenge .	12 Printable Packets Support your home-school connection with activities for PreK-K and grades 1-2 .	13 	14 Build a Worm Hotel Create a temporary home for worms with this WILD KRATTS craft. 	15 PBS KIDS Family Night It's a WILD KRATTS movie marathon!	16 You Time Teachers need hugs too. Ever try a self-hug? Remember to love yourself.
Harvest Time	17 Visit a Kentucky Apple Orchard See how apples are grown, picked, sorted and washed for selling.	18 	19 Apple Picking Digital Game Help Curious George and Jumpy grab the right apples to fill the gaps in the apple number line.	20 Apple Donuts Reading and math skills come together in this simple, yummy snack recipe.	21 Printable Packets Support your home-school connection with hands-on fall activities for PreK-K and grades 1-2 .	22 Pumpkin Study Using a Venn diagram, observe what's different and the same about two pumpkins.	23 You Time Pumpkin spice or 'just plain' is nice? Sit quietly with a warm cup.
Shapes	24/31 Teaching with Media Kindergarten teacher Allison Frometa uses PEG + CAT media to teach her students about shapes.	25 Shadow Shapes Game Create shapes with shadows in this interactive game from PEEP AND THE BIG WIDE WORLD.	26 	27 Printable Packets Send home a packet of shapes activities for PreK-K and grades 1-2 .	28 	29 The Return of Symetrical Al Students join the ODD SQUAD to crack a case using geometrical skills.	30 You Time What scent relaxes you? An aromatherapy moment can help quiet the mind.
