Lesson Title: Storytelling with Words and Pictures

Subject: ELA

Grade: 3-5

Standards:

Directions:

Materials:

Facilitate class discussion about what makes a good story. Use the [“think-pair-share”](#) model to have students share their answers to the following questions:

- What is a resolution?
- What is a conflict within a story?
- What is the purpose of illustrations?

After the discussion, have the students take out their chromebook and provide the link for the [Interactive lesson](#).
