

LESSONS ON THE FLY

Curated resources from your friends at WGUV & PBS Learning Media.

Lesson Title: Using Our Senses

Subject: Science

Grade: PreK-K

Standards: bit.ly/3bEA9fS

Use this digital lesson, video clips, science notebook pages, and support materials from the PBS KIDS show Elinor Wonders Why to teach students how we can use our five senses to observe and learn about the world.

Directions:

[Interactive Lesson](https://bit.ly/3bEA9fS): bit.ly/3bEA9fS

Step 1: Do the “5 Senses Check.” Wonder: How does Ms. Mole use her senses to observe her world?

Step 2: Review the Science Notebook page to understand what information to collect from the video. Get ready to watch the video with a purpose.

Step 3: Watch video clips or read the ‘Let’s Explore’ section of the storybook. Record what you learn about the five senses in your Science Notebook.

Step 4: Talk: How does Ms. Mole use her senses to observe her world?

Materials:

1. Computers or ipads
2. Free student Nearpod app or printable versions of activity.
3. Note-taking supplies (paper or computer)
4. Interactive lesson: bit.ly/3bEA9fS
