5:00 PM	Splash and Bubbles ◆				

- West TN PBS is continuing to work with the Tennessee Department of Education on educating our children.
- Each summer the average student loses a month of academic-calendar learning. With this in mind, we are setting aside a period of time, 10 a.m.— 2 p.m. each weekday, to provide specific programming to help your children fight the summer slide. While all of West TN PBS' children's programming is educational, we feel these programs are of special value.
- We encourage parents to use the free educational resources available at PBS LearningMedia (wjit.pbslearningmedia.org/) to help your children fight rusty skills and forgotten knowledge so they can enter the 2020/2021 school year ready to make progress instead of spend time relearning materials they have lost.
- Programming provided in Spring 2020 by the TN DOE for ELA and Math are posted at www.youtube.com/user/TNDeptofEducation for review.
