

Community Advisory Board meeting
Wednesday, January 17, 2018
8:30am

Attending: Robert Altman, Jennifer Baumstein, Chris Hays, Mary Gribulis, Tom Witz, Allen Kovler (phone), Richard Beach (phone).

WMHT presented a draft plan for a significantly restructured CAB for feedback prior to moving forward. The “new” CAB would be significantly larger than our current group and include meetings of groups in different areas of the region as well as plenary sessions of the entire group. The group viewed and approved the plan and suggested ways in which WMHT can promote the venture. They offered to help identify ways to reach out to non-viewers and look forward to the next steps. WMHT will forward a revised plan incorporate comments from the discussion to the group.

The meeting adjourned at 9:05am
