## Community Advisory Board

### Education Subcommittee

Monday, November 18, 2019

WMHT staff in attendance: Joseph Tovares. Community Advisory Board members attendance: Joe Dragone and Obaroene Otitigbe.

The Education and Children Subcommittee met on 11/18/20 in the board room at WMHT. The agenda was focused on STEM Education in the capitol district and how WMHT can best contribute to the effort.

The discussion was focused on a potential project aimed at parents and children, and focused on the skills needed for success in the workplace. Mr. Dragone, Mr. Otitigbe, and Mr. Tovares Various discussed ideas of how WMHT can contribute to the conversation on workforce development and who the key stakeholders are in the regions. Mr. Tovares concluded the meeting by agreeing to report at an upcoming meeting about a potential project to address issues of workforce development, with particular emphasis on STEM education.
