

Resources for Young Children on Race, Racism, & More

The following resources can be used to support families and educators of young children as they talk, watch, read, and learn about race and racism. These resources are free and open for all to use - they have been curated from PBS, PBS KIDS, PBS LearningMedia, and other credible education organizations.

Please note: These resources are for educational use and are to be used in conjunction with other resources and conversations to provide the most complete context for young people. These resources are to be watched, read, and explore together with an adult. If you are utilizing these tools in an educational setting, please notify families of use as they are to be used with families' knowledge and inclusion.
