

The WNET | WBFO Legacy Society

# Enrollment Form

The WNET | WBFO Legacy Society was established to honor friends and station members who have planned for WNET | WBFO's future through a bequest intention or other gift planning technique.

Legacy gifts to The Western New York Public Broadcasting Association (WNYPBA)

All undesignated legacy donations to The Western New York Public Broadcasting Association (WNYPBA) are used to support general operations in the fiscal year in which they are received. A legacy donation given to a specific station is used to support the operation and programming of that station in the fiscal year in which it is received.

The WNET Foundation

Donors can also direct their gift to The WNET Foundation. Legacy gifts to The WNET Foundation help to grow our endowment and are invested and managed professionally. Each year, the Board of Trustees of the Foundation appropriates a portion of the investment portfolio's earnings to help sustain WNET | WBFO's ongoing operations and programming.
