

The Buffalo Toronto Public Media Legacy Society

Enrollment Form

The Buffalo Toronto Public Media Legacy Society was established to honor friends and station members who have planned for the organization's future through a bequest intention or other gift planning technique.

Legacy gifts to The Western New York Public Broadcasting Association (WNYPBA)

All undesignated legacy donations to The Western New York Public Broadcasting Association (WNYPBA) are used to support general operations in the fiscal year in which they are received. A legacy donation given to a specific station is used to support the operation and programming of that station in the fiscal year in which it is received.

The WNED Foundation

Donors can also direct their gift to The WNED Foundation. Legacy gifts to The WNED Foundation help to grow our endowment and are invested and managed professionally. Each year, the Board of Trustees of the Foundation appropriates a portion of the investment portfolio's earnings to help sustain Buffalo Toronto Public Media's ongoing operations and programming.

I would like to become a member of the Buffalo Toronto Public Media Legacy Society.

I qualify on the following basis:

- I have included WNYPBA in my will.
- I have named WNYPBA as a beneficiary of a life insurance policy.
- I have made other estate provisions involving WNYPBA.
- I have named WNYPBA as a beneficiary on my IRA/retirement plan.
