**09/30/2016**

There follows a listing of some of the significant issues responded to by WNIN, Evansville, IN, along with the most significant programming treatment of those issues for the period 07/01/16 to 09/30/16. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

<b>Issue</b>	<b>Program</b>	<b>Date</b>	<b>Time</b>	<b>Duration</b>	<b>Type/Description</b>
Funding for I-69 Bridge	WNIN News	7/11/2016	7:45am	1:30	Indiana's new road funding task force will take up the question of how to fund an I-69 bridge connecting Evansville and Henderson.
Indiana's Health Grade Raised	WNIN News	7/12/2016	4:30pm	1:06	Indiana is one of seven states that have improved pain medication policies – raising the state's rank in a new report evaluating pain medication laws, regulations and policies.
Call made to reform immigration laws	WNIN News	8/3/2016	5:00pm	1:02	Representatives from business, hospitality, agriculture and construction industries are calling on Congress to reform the nation's immigration system. Those groups want to bolster that call by highlighting contributions made by immigrants to Indiana
Indiana State Department of Health's annual report on induced terminated pregnancies.	WNIN News	8/5/2016	6:45am	1:01	In the past five years, use of the "abortion pill" has gone up about ten percent in Indiana, an increase that aligns with a drop in the percentage of so-called "surgical" abortions.
Indiana to receive federal funding to fight Zika virus.	WNIN News	8/9/2016	5:00pm	1:30	Despite assurances from officials that local transmission of the Zika virus is unlikely in Indiana, the Indiana Department of Health is set to receive millions of dollars from the Centers for Disease Control and Prevention to fund prevention efforts for the virus.
