New Four-Part Documentary Series by Lynn Novick Follows Prisoners Through Rigorous College Program; Explores How Education Transforms Lives and Impacts Criminal Justice

COLLEGE BEHIND BARS marks a new path for filmmaker Lynn Novick, who is best known for history films directed with Ken Burns. The four-hour series, distilled from nearly 400 hours of cinéma-vérité footage, explores the lives of a dozen incarcerated men and women as they struggle to earn degrees in the Bard Prison Initiative (BPI), one of the most rigorous and effective prison education programs in the country.

The four-part film, broadcast over two consecutive nights in November, unfolds without narration through an intimate look at the lives, experiences and words of incarcerated men and women and their families. Working with renowned cinematographers Buddy Squires, ASC, and Nadia Hallgren, Novick and producer Sarah Botstein received unprecedented access to film for four years inside maximum and medium security prisons in New York State. The film, edited by Tricia Reidy, ACE, takes viewers on a stark and emotionally intense journey into one of the most pressing issues of our time – our failure to provide meaningful rehabilitation for the millions of Americans living behind bars. Executive produced by Ken Burns, COLLEGE BEHIND BARS is Novick’s solo directorial debut.

COLLEGE BEHIND BARS is not a story of non-violent drug offenders, false conviction or exoneration, unlike many recent documentary films about the criminal justice system. All of the BPI students featured in the film are serving time for serious, often violent, offenses. In wrenching, deeply personal interviews, they describe their childhoods and family backgrounds, reveal why they are incarcerated and express profound remorse, as well as, hope for redemption and their worries about what life will bring after release from prison.

**XAVIER RIDDLE AND THE SECRET MUSEUM**

*PREMIERING November 11, 2019*

Kids will learn alongside young Jackie Robinson, Amelia Earhart and others. Inspired by the best-selling kids book series, Ordinary People Change the World by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, XAVIER RIDDLE AND THE SECRET MUSEUM follows the adventures of Xavier, Yadina and Brad as they tackle everyday problems by doing something extraordinary: traveling back in time to learn from real-life inspirational figures like Marie Curie, Harriet Tubman and Jackie Robinson when they were kids. Each adventure will help young viewers make the connection between the skills that made these historical figures heroes and those same qualities within themselves, helping them discover that they, too, can change the world.

Sesame Street’s 50th Anniversary Special
Sunday, Nov. 17 at 6 PM

Sesame Street’s 50th Anniversary Celebration is an upcoming primetime special celebrating Sesame Street’s 50th anniversary. The special will feature celebrity guests, along with new takes on classic segments and visits from Sesame Street icons, while also focusing on the show’s cultural impact. Sesame Street’s 50th year is the perfect opportunity for a music and memory-filled special for the entire family. It’s the biggest celebration ever on The Street, and lots of friends are on hand to share in the fun. But the celebration could be derailed if it’s discovered that the iconic Sesame Street sign has mysteriously gone missing. It’s up to some resourceful Muppets to try to find out what has happened to the sign and try to get it back without disrupting the festivities.

Endowment

WTVP’s Endowment Fund was established in 1984 by the Board of Directors with a generous lead gift from the Richard L. Owens family, who believed in the power of public broadcasting in central Illinois. They continue to support their vision by matching the first $10,000 in individual donations to the WTVP Endowment Fund campaign each year. Your gift to the endowment will make a difference in ensuring that outstanding public television will always be available to our community. Please consider making a donation today! For more information, please email colleen.runkle@wtvp.org, call 309-495-0525, or visit our website wtvp.org.

Scramble the Seawolves
Sunday, November 24, 10 PM
Encore Presentation

Scramble the Seawolves reveals the untold story of the most decorated squadron in U.S. Naval Aviation history...the HA(L)-3 Seawolves. From meager beginnings, the most effective and offensive Navy squadron, Helicopter Attack Light Squadron Three Seawolves, was established inside the Republic of Vietnam in support of Task Force-116, Operation Gamewarden in 1967. The Navy Seawolves were an all-volunteer squadron of approximately 3000 brave young men. Nine detachments, consisting of two crews, four men each, were strategically located throughout Military Regions III and IV, Mekong Delta. Hear the raw emotional account of this battle from those that survived and witnessed their Seawolf brother's parish.
In Accordance with FCC regulations, WTVP is moving our signal to a new transmitter in order to serve central Illinois viewers better and more reliably.
