PLAYING

CATCH

BY Nikhil Nayak
There once was a panda and a monkey who loved to play catch.
The panda's name was Mike, and the monkey's name was chuck. One day while playing catch, the ball ran out of air. So Mike and chuck were soooooooo sad.
And then they both got an idea to make a new ball. The panda made it out of bamboo. And the monkey made it out of bananas.
but the panda ate the bamboo ball and then the monkey ate the banana ball so Mike and Chuck were sooooooo sad
And then they both got an idea again. They decided to go to Phil, the elephants to ask for help. Phil blew the ball up with his trunk.
so Mike, Chuck and Phil played with the ball all day and they were sooooooo happy.
