

The Dragon Who Couldn't Fly

By: LUKE PARK

One day there was a
dragon who
couldn't fly.

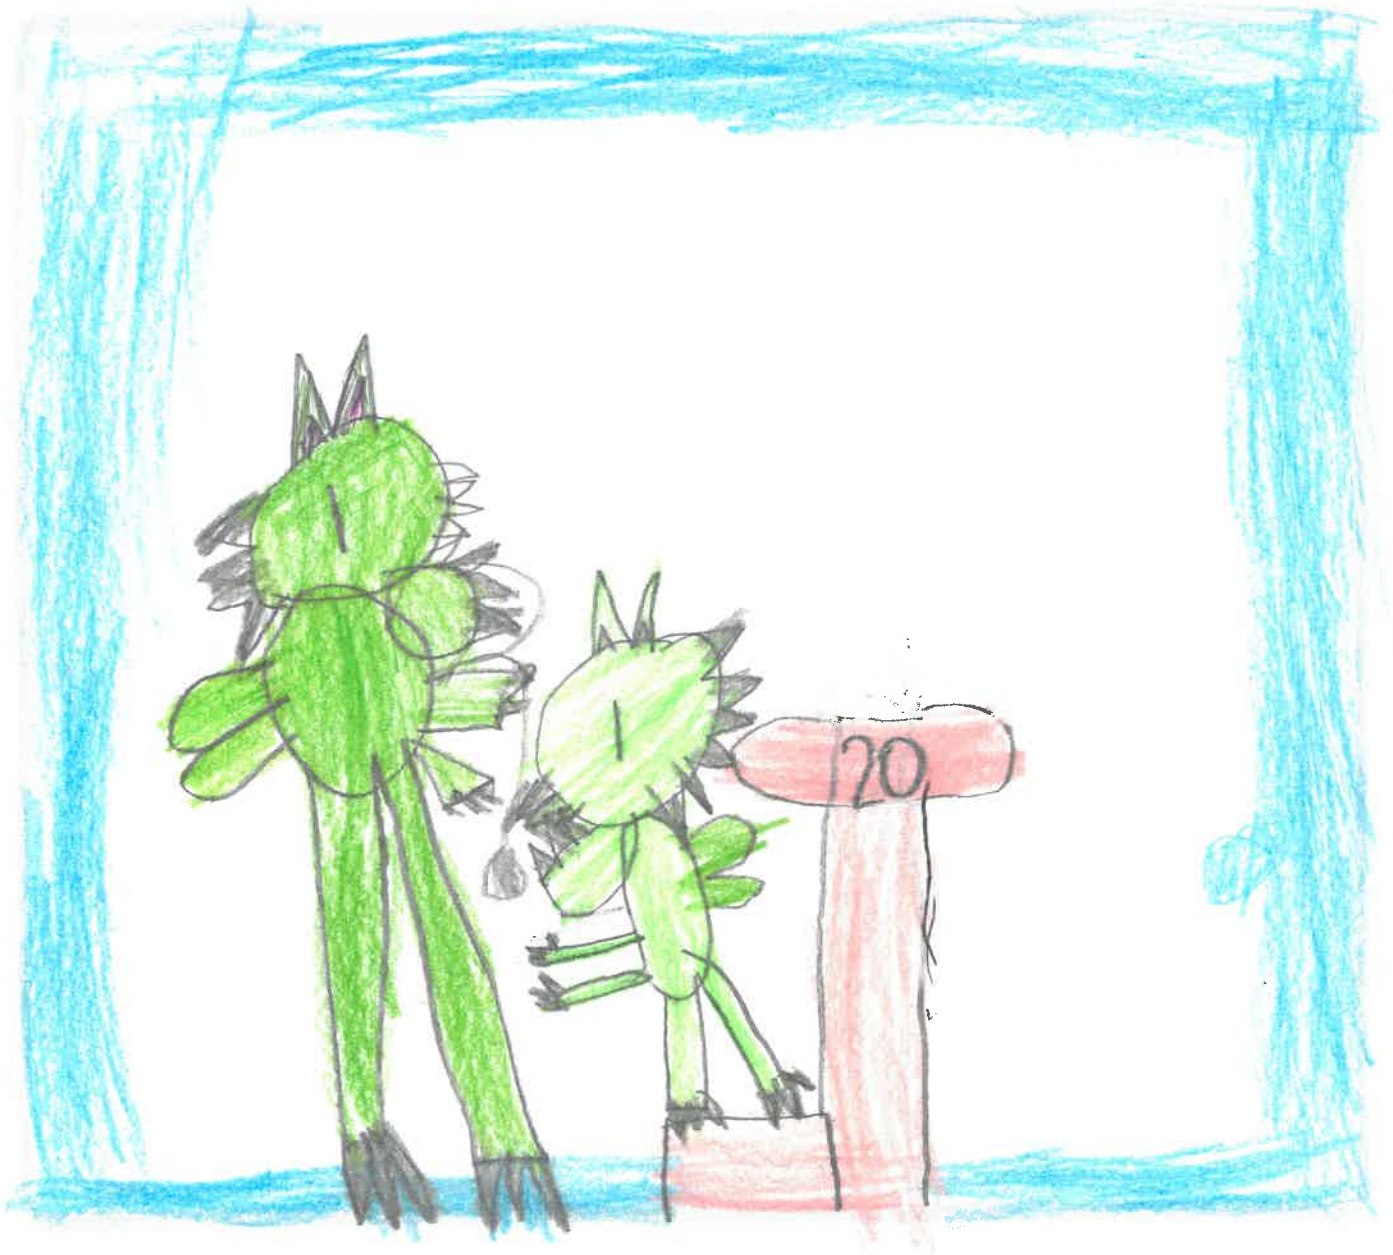

The People Pushed
and pulled and budged
and Pumped and
then They checked
his Blood
Pressure.

Then they air

Pressured him.

Then they seed

how much

weight he was.

And then they

saw that he

was too heavy.

But they were
wrong. He was
actually a
dinosaur. The End
