All About the Author

I am Amelia Ly from Peoria Illinois. I am 5 years old, and I go to Montessori Academy of Peoria. In school, I have many friends including Chinmayi, Dean, Rae Ellen and Sarisa. But one friend is very special to me, her name is Grace. And I missed her a lot because she is in first grade. So now I call the unicorn Grace. I love to read a lot about dinosaurs, Mummies, Harry Potter, astronaut, Malala, Magic school bus and Bible story. With my mom's help, I started a YouTube channel to read A Book A Day. I am on my 88th book of my reading campaign. On my YouTube channel, you will also see my piano performances at Carnegie Hall and in Vienna Austria.
