What are your expectations for Interning with WUCF?

Tell us something interesting about yourself, something unique to YOU. It can be anything you want to share with us:

Pending acceptance into the Internship Program at WUCF, I understand that I will have access to the station only during my scheduled times to work, unless otherwise requested by my supervisor. If I am under 21 years of age, I will not attend any station events at locations where alcohol is served. I agree to conduct myself in a professional manner at all times. I promise that I will not remove station property from the premises and understand by doing so, I will be immediately dismissed from my intern opportunity and the authorities will be contacted. Upon completion of my interning, any name badge, access cards, etc. must be returned to the Volunteer/Internship Coordinator. I understand the WUCF Internship opportunities are non-paying positions, and are limited. There is no assurance that all applicants will have an opportunity to intern for WUCF

I hereby assume the risk of injury; and release, discharge, and indemnify WUCF and The University of Central Florida, its respective officers and employees from any and all claims for injury or damages arising from participation in the Intern Program.
