Monday

Learning Goal: Children will begin to understand that all living things grow, change and go through life cycles.

Video Resource: [From Seed to Fruit | Everyday Learning](#)

Interactive Game: [From Seed to Fruit | Everyday Learning](#)

Activity: Zip Bag Green House – Place a folded paper towel (or cotton balls) into a zip bag. Add 2-3 beans and enough water to moisten the paper towel or cotton. Zip the bag closed and tape to the window. Draw a picture in your journal every day to observe how your seed sprouts.

Tuesday

Learning Goal: Children will begin to identify characteristics of a variety of plants including physical attributes.

Video Resource: [Experimenting with Seeds | Peep and the Big Wide World](#)

Activity: Seeds in Our Foods – Cut open several pieces of fruits or vegetables containing seeds and examine (optional: use the zoom lens on your phone for a closer look). Draw a picture of each fruit or vegetable and their seeds. Can you count how many in each?

Wednesday

Learning Goal: Children will begin to distinguish between living and non-living things.

Video Resource: [Under the Ground | Daniel Tiger's Neighborhood](#)

Interactive Game: [Ready Set Grow | Sesame Street](#)

Printable Activity: [Daisy's Garden](#) – Help Daisy select plants for her garden. Cut out the pictures and glue them to design the garden.

Thursday

Learning Goal: Children will begin to discover, sort, and compare/contrast objects that are naturally found in the environment to explore process-oriented and diverse art materials.

Video Resource: [From Seed to Flower](#)

Video Activity: [Paint with Nature | Nature Cat](#)

Friday

Learning Goal: Children will begin to collect and record data through drawing, writing, dictation and taking photographs.

Video Resource: [What is Water?](#)

Video Activity: [Plant a Terrarium](#)
