I Am Somebody (Giant Song)

My eyes are brown and your eyes are blue.
But there is no difference—I'm still the same as you.
I am proud—and you should be too.
There is no difference. Elmo has feelings like you!

I am, you are, we are somebody! (2x)
Like a giant. I'm tall, standing taller.
I'm strong, I'm stronger—I'm beautiful you know!
I am somebody, and I will stand up.
Elmo will speak up—I'm beautiful you know!

I can be, I can be anything, be anything, yeah.
I can do, I can do anything, do anything, yeah.
I am strong, I am strong in my skin, strong in my skin, yeah.
And together we will always win, always win, yeah!

If something's wrong, I will stand up.
If something's unfair, Elmo will speak up.
In this great big world, it's not okay to feel hurt.
We're one big family, so let's care for each other!
Oh, I am, you are, we are somebody! (2x)

Like a giant, I'm tall, standing taller.
I'm strong, I'm stronger—I'm beautiful you know.
I am somebody, and I will stand up.
Elmo will speak up—I'm beautiful you know!

I can be, I can be anything, be anything, yeah.
I can do, I can do anything, do anything, yeah.
I am strong, I am strong in my skin, strong in my skin, yeah.
And together we will always win, always win, yeah!

I should be defended—Defended! And respected—Respected!
I should be accepted—Accepted! I'm beautiful you know!

Like a giant...I'm tall, standing taller.
I'm strong, I'm stronger—I'm beautiful you know!
I am somebody, and I will stand up.
I'm beautiful you know—I'm beautiful you know!
