Cheese World

by Drake Rasnic

March 1, 2021
Mr. Cheddar and Old Man Gouda lived on Swiss Cheese Street in Cheese World with their cat Colby. They thought that they didn't have to worry about anything. They didn't know that Mr. Ratatat was going to destroy Cheese World that day. Then Mr. Ratatat and his army of rats came to destroy the world!
Mr. Chedder finds out about Mr. Ratatat getting out of the sewer. Then he goes to the nearest news person. Then he gets on TV and said “let all of the cats out.”

Then Mr. Chedder and his army of cats make Mr. Ratatat and his army of rats run away. They saved Cheese World.

The End.
