Farm Girl School 2021
Tomorrow is Rachel’s birthday and she still didn’t know what she wanted.

She had been thinking for weeks. When she woke up the next morning she went into her
mom and dad's room and told them
she wanted to adopt a puppy.
Rachel told them all about a
puppy named Sassy that she
saw in her dream.
Sassy was a special puppy who needed special care. Rachel knew she could do a good job taking care of her.

Rachel and her parents got ready
and went to the pound. They saw a lot of animals, kittens, big dogs, and mommies with babies.

Then, Rachel saw Sassy!
She told her parents that Sassy was the puppy from her dream. Sassy's leg is hurt and she needs Rachel's help to get better. Rachel took Sassy home just in time for
her birthday party, Rachel and Sassy were happy to have each other.

The End!
