Zack's Portal Adventure
by
Jagger Staten
happy Birthday

Zack had a birthday party. He grabbed a balloon before his mom could clean.
He went to bed. He turned off his light and the balloon started glowing.
Zack was scared. After a few seconds, he noticed it was a portal.
He put out his hand and thought of all the places he could go.
When he touched it he was at the beach.
Flash! The light went on. Was it all a dream?
